

# ATTAIN LEADERSHIP SOLUTIONS

USACE Latin America & Caribbean District | Strategic Risk Assessment During Historic Transition

**\$Multi-Billion** Portfolio Value      **7M+ Square Miles** 33 Nations Unified      **6 Weeks** Compressed Delivery

Assessment completed during Jun-Sep 2026 district redesignation & operational transition

## WHAT WE DELIVERED

### INTERNAL RISK ASSESSMENT (22 filled vs 37 required fit)

- Records management & financial controls during transition
- Single points of failure mapping across 33-country footprint, **9** major internal risks identified
- **5 organizational model opportunities**

### EXTERNAL RISK ASSESSMENT

- Host-nation sovereign risk & security access mapping
- Regional stability & partner continuity exposure
- Climate, logistics, & sustainment capability gaps
- **8 major external** risks identified

### EXECUTIVE BRIEFING PACKAGE

- Graphics-based strategic briefing for USACE leadership
- Narrative risk reports with mitigation roadmaps
- Decision framework for unified operational model
- Monthly/quarterly leadership indicators
- Governance spine: intake-to-execution logic

## STRATEGIC OUTCOMES

### UNIFIED DECISION LOGIC

Executive clarity on staffing, authorities, funding fit across 33 newly consolidated nations

### TRANSITION ROADMAP

9 internal + 8 external risks mapped with clear mitigation priorities & control sequencing

### INTEGRATED OPERATING MODEL BLUEPRINT

5 organizational improvement opportunities to strengthen delivery

### GOVERNANCE FRAMEWORK
